

Question				Marking details	Marks available					
					AO1	AO2	AO3	Total	Maths	Prac
6	(a)	(i)		Water bath (1)	1			1		1
	(b)	(i)		6 plots correct (2) 5 plots correct (1) 0/1/2/3/4 plots correct (0) +/- ½ small square tolerance Line joining all plots no extrapolation (1)		2 1		3	4	
		(ii)	I	Increase then decrease (1) Correct reference to 40°C (1)		2		2		
			II	Enzyme(s) involved (1) Correct reference to increased kinetic energy/collisions (1) 2 nd mark must be in context of enzymes.			2	2		
	(c)	(i)		use lime water (1) becomes milky/ cloudy / white(1)	1		1	2		2
		(ii)		Any two (x1) from: concentration/ volume/ mass of yeast (1) {concentration/ volume} of sugar solution/ mass of sugar (1) Timing of observations/ amount of time (1) pH (1) Accept volume of sugar and yeast in water for 1 mark only NOT temperature			2	2		2
