

Question				Marking details	Marks available					
					AO1	AO2	AO3	Total	Maths	Prac
4	(a)	(i)		C	1			1		
		(ii)		glycerol	1			1		
		(iii)		(Bile stored in) gall bladder (1) (Flows down) bile duct (1)	2			2		
	(b)	(i)	I	Ratio 8: 1		1		1	1	1
			II	4 bars plotted at the correct height in correct position = 2 marks 2/3 bars = 1 mark 1 small square tolerance Correctly labelled/ shaded correctly according to key (1) Mark given if at least one pair of bars are correctly shown		2 1		3	2	3
		(ii)		Increases the activity of lipase (1) {8 times/ mean/ ratio} higher with bile/ use of comparative data (1)			2	2		2
		(iii)		Decreases/ lower {number/value} Accept becomes acid			1	1		1
		(iv)		Control / comparison / {to identify / to see} the difference between the presence of bile and absence of bile			1	1		1
		Question 4				4	4	4	12	3
