Examiner only

(b) A public health campaign is planned to take place in Wales starting in July 2025. The aim of the campaign is to increase the number of people who eat a healthy diet by July 2026.

Whether or not the campaign is successful will be assessed using the survey sheet below both **before** and **after** the campaign.

Healthy Eating Survey	**date of survey:**
*ask **each person** this question* **Do you eat a healthy diet?**	*circle* their answer: **yes** **no** **don't know**

Describe how you would do the survey using the above sheet.

Your answer should include:

- how you would make your survey representative of the whole population of Wales;
- when you would do the survey;
- how you would decide if the campaign was successful. [6 QER]
